*The disquieting truth of the identity of  
the authentic founder of Christianity*

## **Synopsis**

A passionate story about the origins of Cataluña and Aragon, the Cathars and the crusades organised against them to permit the eastern French annexation, the conquest by the Catalans and Aragon, and the gestation of Aragon's Mediterranean Empire and later Spain.

"The Albigense Crusade and the Empire of Aragon" narrates the history of the Cathars and the military expeditions to the Holy See (also known as Apostolic See) which is related to the conquest of Aragon and Catalonia. In this book, the rea-

der gets to know heresies, the Albigensian Crusade (also known as Cathar Crusade), the conquest of South America, the balance of power between the kingdoms in Spain and the European panorama of the 13th century. It's a trip through the western world, to the crown of Aragon, France, Castilla, Navarra, Sacred Empire, England, Sicily, following the spirit of the monarchs' and feudal gentlemen' crusades in Europe of these times.

The Cathars, the Inquisition, great Spanish and European kings, gentlemen, Knights Templar, crusades, conquests,

wars, revolts and Popes are just some words that this passionate historical essay contains and through which the reader is informed about the essence of Western Europe in the 13th century.
