***The practical guide of  
masters of seduction***

***The best and most complete seduction-guide that has ever been published in Spain. A utile guide that gets to the point with a didactic and thorough outline and detailed information (step by step) for every phase of the seduction of a woman.***

What makes a man attractive for a woman? The clues for seduction are in this book. The game of seduction, the personality of the conqueror, a behaviour that generates attraction, the social strategy and the mind of a divine artist, proved methods and techniques "ready to use". For example, how to make somebody fall in love with you and how to drop her.

In the following pages you will be informed about advices, techniques and tips that will help every man. It doesn't matter what he looks like or if he is

poor or rich, with this guide he will be irresistible for every attractive woman.

If you like to improve your ego, if you like to become the point of attraction and to enlighten the sexual instinct of women, this book "Sex Code" informs you about everything you have to know and even more.

The author, Mario Luna, is a famous expert in the art of scientific seduction, following the methods and techniques of the famous international best seller "The Method" (EL METODO).

#### ***The author***

**Mario Luna.** He is the founder of a crew of seducers and he has spent his life studying the art of seduction and attraction since 1999. In 2001, he started to develop his own theories to make men more attractive and to reach the goal of getting the women of their dreams into their beds. He holds seminars about the art of seduction and calls himself the "guru of seduction in Spain".
