

THE TEMPLARS AND THE SECRET OF CRISTOBAL COLON

David Hatcher Childress

An unprecedented adventure following the trail of the legendary Templar fleet. Indulge in an amazing research that will connect to the legendary Knights Templar with Christopher Columbus, the terrible Atlantic pirates and Freemasonry in America

Synopsis

Where did the gold of the Order of the Temple come? What relation existed between the fleet and the legendary Templar Pirates of the Caribbean? Was Columbus from Mallorca? Why Isabella gave their trust and money to an unknown sailor?

Childress Hatcher reveals the amazing expeditions sailors were part of the religious order most mysterious and popular story that could bring to American shores. A theory that would explain the source of the gold they possessed these warrior monks.

An unprecedented historical research, incredible sea adventure in search of the secrets contained one of the most important figures of history, Christopher Columbus, his true origins, the discovery of America and its possible relationship with the navy of the Order of the Temple.

Biography

David Hatcher Childress Archaeologist, researcher, and traveler . At 19 he left the United States to enter into an odyssey to knowledge of ancient civilizations around the globe: from Central Africa to China, the Middle East to the ruins of the civilizations of South America.

He is author, among many other books, *The Mystery of the Olmecs and the crystal skulls*, edited by Nowtilus in 2009.

Sales pitch

This book provides new light on the mysteries of the Knights Templar, research on new theories that ask, for example, the source of his wealth, a fact that no one could find, even when their leaders were tortured.

It also reveals the degree of involvement that Christopher Columbus had with the order and the impact this had on history. Narrated from a critical and documented point of view.
