Historical essay

José Ignacio de la Torre

The fascinating history of the process of recovery of Hispania under Muslim control since the year 711. Since the first germs of the Astur-Leones Kingdom, and the expansion of Christianity in the 13th century, up until the Taifas, Navas de Tolosa, and the final surrender of the Nasrid Kingdom of Granada to the Catholic Monarchs in 1492. A rigorous and up-to-date history of the 800 years that define the mediaeval Iberian Peninsula.

Synopsis

Delve into the fascinating history of the Reconquest of the Peninsula. A fight consisting of a thousand battles over many years, which gradually changed the course of the country.

Brief History of the Spanish Reconquest offers a military political journey from the Muslim invasion of the year 711 until the conquest of Granada in 1492 by the Catholic monarchs, prologue of the Spanish Golden Age, and the Spanish Empire that this country will forge in the following centuries.

This book fully introduces any reader interested in this historical process, to this fundamental part of the Spanish middle ages through its various phases, moments, warfare and, the most prominent characters.
