

A BRIEF HISTORY OF HITLER

BREVE HISTORIA
www.BreveHistoria.com

Jesús Hernández

The life of the Third Reich führer, the most controversial and complex leader of the 20th century, who ended up leaving behind him a terrible trail of death and destruction. Discover his personality and the irresistible statesmanship, which helped him achieve the power leading the Nazi revolution

Synopsis

The 20th century and today's world cannot be understood without the controversial figure of Adolf Hitler. The book tries to answer the questions that surround his complex and enigmatic personality, and the ideology that emerged from his own prejudices and hatreds. This work relates both his political career and his personal circumstances, allowing the reader to move to that time and consider Hitler from the same perspective as his peers.

Throughout this work the reader will be able to see how Hitler used his unwavering strength of will, and his irresistible statesmanship, to seize power in Germany taking advantage of the democratic structures of the Weimar Republic, which he himself would later demolish. In this way, the book will also help the readers draw their own conclusions about the danger of totalitarian ideas associated with charismatic men, and the error that means giving up fundamental rights of the individual, for the sake of a so-called common good.

Biography

Jesús Hernández (Barcelona, 1966), journalist and historian. In his extensive outreach work he has managed to unite rigour and entertainment, attracting the interest of the general public and also of the specialized readers.

He has written such books as *Enigmas y misterios de la Segunda Guerra Mundial*, *Breve historia de la Segunda Guerra Mundial*, *Historias Asombrosas de la Segunda Guerra Mundial*, *Todo lo que debe saber sobre la Primera Guerra Mundial*, *Operación Valkiria*, *Todo lo que debe saber sobre la Segunda Guerra Mundial* and *Operaciones secretas de la Segunda Guerra Mundial*.

Sales pitch

This is the first informative biography of Hitler in the market.

Jesús Hernández is the greatest expert in disseminating war topics related to the World Wars in Spanish.

The work offers little known personal details about Hitler and an annex of his life scenarios.

This is a work written in plain and accessible language without forgetting the historical rigour attached to any title of this collection.
