

SPANISH HISTORY IN 100 QUESTIONS

History

Luis E. Íñigo Fernández

The essential keys and historical questions that are essential to understand the true history of the Spanish nation: prehistory, the pre-Roman Iberia, and Roman Hispania, the medieval Spanish protonation, and the Arab world, the cultural splendour and colonization of America, the liberal and republican national project, the II Republic, the Civil War and the transition to democracy.

Was ancient Spain populated by giants? Did the Romans worship the fish from Cadiz? The Visigothic Kingdom of Toledo was the first historical embodiment of Spain? Al-Andalus Kings were better poets than warriors? Did the Catholic Monarchs really want to rebuild the unity of Spain? Could only a handful of adventurers from Spain conquer the powerful Aztec, and Inca Empires? How could a country in decline achieve the cultural splendour of the Spanish Golden Era? With what did the spanish enlightened of the 18th century dream? Was the Spanish revolution of 1868 in fact "glorious" (in Spanish this revolution is called "The Glorious")? How did the II Republic try to content, without success, the Catalan and Basque nationalists? Did Franco have identity problems? What sound did the sabres of the Spanish transition make?

Synopsis

The essential keys and historical questions that are essential to understand the true history of the Spanish nation: prehistory, the pre-Roman Iberia, and Roman Hispania, the medieval Spanish protonation, and the Arab world, the cultural splendour and colonization of America, the liberal and republican national project, the II Republic, the Civil War and the transition to democracy.

Biography

Luis Íñigo Fernández is an author widely regarded by all readers. He holds a Master's Degree and PhD in History, and is the author of numerous articles, and books on historical themes. Specialist in educational history, he has a great capacity for unraveling the complex historical processes, and presents them in a comprehensible way. This ability had been demonstrated in other books such as *Brief History, or Brief History of Spain, I and II, Brief History of the II Spanish Republic, Brief History of the Industrial Revolution, Brief History of science fiction, or Brief History of the battle of Trafalgar*. In this same collection he is the author of *Universal history in 100 questions*.

Sales pitch

- An informative work on the history of Spain, which selects the one hundred more relevant issues of history, explained with rigour, amenity, acuity and intelligence.

- Just like with other titles in the CPE collection, this work has an original format, it is illustrated, clear and very educational, because it raises all the knowledge about a topic in a format question-answer with a total of 100 items.

- With this work the reader will be able to respond to the key issues that arise when it comes to knowing, and understanding the history of Spain. The author explains the global historical processes (rather than the facts indicated as traditional historiography does) so readers know and understand the causes, the reasons behind every historical fact. That is, it gives more importance to structural history than to the event history.

- Thanks to this title, the reader will learn why Grenada withstood more than two centuries the threat of the Spanish conquest, or if really the War of Succession was a war of Catalonia against Spain.

- Luis Íñigo is an author widely regarded by all readers. He holds a Master's Degree and PhD in History, and is the author of numerous articles, and books on historical themes. Specialist in educational history, he has a great capacity for unraveling the complex historical processes, and presents them in a comprehensible way.
