

# A BRIEF HISTORY OF WORLD WAR I

BREVE HISTORIA  
www.BreveHistoria.com

Álvaro Lozano

Here you will find a complete and global vision of this bloody war that would later prompt the Russian revolution, the dissolution of the Austro-Hungarian Empire, the end of Imperial Germany and the complete fragmentation of Central Europe. This is an essential work for understanding the world of today

## Synopsis

This book takes a look at the complete historical course of World War I, from the Battle of Marne in 1914 to Gallipoli, the Battle of the Somme, the horrific offensives of 1917, the German Spring Offensive of 1918, and the long-term consequences of this conflict. In this chronological framework the author grapples with the political and social unrest within the various sides, the role of the key leaders, and the experience of the soldiers on the war fronts. You will also learn about the relationship between war and industrialization, trench warfare, and the long-term effects of the war on the changing social, economic and demographic structures of the time.

In this Brief History book, the reader will understand more about the ironies and complexities of an international conflict that lasted four years and that left open wounds and resentment, all of which would later serve as catalysts for World War II.

## Biography

**Álvaro Lozano** (Rome, 1967) has a PhD in History and is a frequent contributor to specialized journals in this field. He is the author of: *The German Invasion of Russia; Kursk, 1943: The Decisive Battle; The Cold War; Nazi Germany; The Diplomatic Contributions of Marquess of Villalobar and The Holocaust and Mass Culture.*

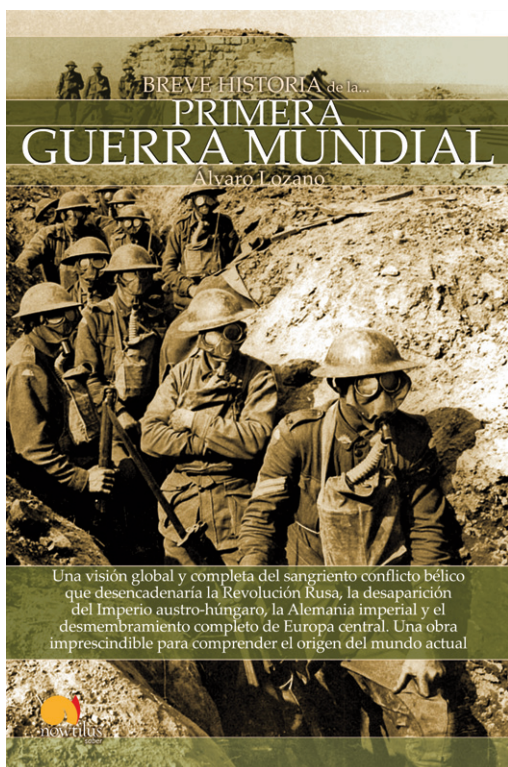

## Sales pitch

**TOPIC:** The various international armed conflicts of the 20th century continue to draw a wide audience of readers. This book forms part of the Brief History collection books dealing with war. The Spanish reading public will learn how Spain, while not participating directly in World War I, still suffered its effects.

**TIMELY SUBJECT:** In December of 2011 the new Steven Spielberg-produced blockbuster, *War Horse*, will be released. This film looks at the effects of World War I on several key characters.

**BRIEF HISTORY COLLECTION:** As with all books in this Nowtilus collection, this work guarantees an effective mixture of academic rigor with an easy-to-follow narrative.
