

# THE UFOS MYSTERY

*A big mystery, shortly to be none anymore: investigations and evidences*

## **Synopsis**

This book offers a current, serious and rigorous report about this topic. It's an article and an essay at the same time that offers analysis about the second half of the 20th century up to our days. It is written for believers and sceptics in an entertaining, dynamic and amusing way.

UFOs are flying through our skies. This is reality, although governments in the whole

world deny it vehemently.

UFOs are the biggest challenge for the science of today and this is more the case than ever, because reports about viewing UFOs have been risen about 50% in the last years.

Between January and February 2002, there were 300 new viewings reported.

The book includes interviews with eyewitnesses, pilots and scientists and contains impressive graphics, which grant the book the variety this topic deserves.
