ISBN POD.....978-84-9967-418-6

Understand the Spain of the present, from its roots and its limitations to the reasons why Catalan and Basque nationalisms emerged and gained strength

Synopsis

Spain is the product of a mixture of peoples and cultures that began to meld together in the Iberian peninsula under the Roman domination and that became over the years, a heterogeneous society, endowed with features that immediately distinguished it from its European neighbours.

Make a complete journey through the history of our country via a common thread that allows the reader to search in the past for the roots of the current Spanish national problem, to analyze the process of the construction of the Spanish nation, and to understand what has led the Spanish people to their current situation.

Luis Íñigo leads us to the tragic end of a plot in which both charismatic and reviled figures have passed through figures like Argantonio, Recaredo, Pelayo, the Catholic Monarchs, Canovas, etc. In its evolution he leads us to the great question: why is Spain today a questioned nation?

Biography

Luis E. Íñigo Fernández (Guadalajara, Spain, 1966) has a degree in geography and history from the Universidad Complutense de Madrid, a PhD in history from UNED, and was the recipient of an award for academic excellence from a prestigious association of academics in Madrid.

Currently he works as Education Inspector after almost two decades of high school teaching experience.

As an author, he has written history books such as *Brief history of Spain*, *Brief history of the Alchemy*, *Brief history of the Spanish Second Republic*, *Brief history of the Industrial Revolution* and *Brief history of the World*.

Sales pitch

Rigorous and objective historical study of the evolution of the Spanish nation building since its earliest roots (Greek and Phoenician influence) to the present pluralistic Spain.

This title looks at the origin of nationalism and delves into the earliest centuries so as to show the evidence of a shared identity.

Like all works of Inigo Fernandez, this book features a flowing narrative and rigorous documentation
