Discover the first part of the most complete review of the criminal world. Here you will learn about the most terrifying events in Spanish criminal history and about the most famous and enigmatic criminals. Read about the methods and the motivations of the most repulsive and cold-blooded figures in Spanish society.

## Synopsis

Discover when, how and where the true face of crime appeared in Spain: the methods and motivations of the most repulsive and cold-blooded criminals in Spanish history.

With the help of Francisco Pérez Abellán, the most renowned criminologist in Spain, you will relive and study the most chilling criminal events in the history of this country: Puerto Hurraco, the triple crime of Burgos, the assault on Professor Neira, the assassination of Mari Luz, and others.

You will also learn about the most famous and enigmatic criminals in Spain: el Lute, el Solitario, the Vall d'Hebron rapist, el Vaquilla, etc.

Francisco Pérez Abellán, a criminology specialist, offers us not only his reflections on these terrible cases, but the keys to understanding the crimes, their causes or the factors that led to their development. In so doing, Pérez Abellán strives to understand the mind of the assassin so as to anticipate his/her future moves.

## Biography

**Francisco Pérez Abellán** (Murcia, 1954) is a scholar and writer with a principal interest in the criminal world. He has contributed to different television programs such as *Esta noche cruzamos el Mississippi*, *Crónicas marcianas*, and *Día a día*. He has also directed the radio program *Caso abierto* for RNE1 and the television program *Las claves del crimen* for Tribunal TV. He currently contributes a section on crime for *Sin ir más lejos*. Pérez Abellán has formulated the thesis that only study, reflection and thought can effectively combat violent crimes.

Currently, he is the Director of Criminology Department of the Camilo José Cela University in Madrid

## Sales pitch

This book looks at crime from various vantage points. Not only does it retell the events behind each crime, but it examines the origins, the causes, the consequences, and the methods to prevent it in the future.

Because of the author's expertise in criminology, the book offers a scientific and objective view on crime and the most stunning criminal events in Spanish history.

The author is a well-known specialist on crime and has contributed to various radio and television programs as well as newspaper articles and columns.
