

# A BRIEF HISTORY OF WORLD WAR II

Jesús Hernández

Normandy, Pearl Harbor, El Alamein, and Stalingrad served as the backdrop for the key moments and figures of the bloodiest military battles in history. Discover this unique and easy-to-read book that transports the reader back to the convulsive years between 1939 and 1945.

## Synopsis

Presented in a concisely written format, A Brief History of World War II gives a full review of the bloodiest conflict in history, including stories about the chief protagonists like Rommel, Patton, Montgomery o MacArthur; the causes of the war; and the military arms buildup with the fast Panzer tanks, the agile Spitfire, the versatile jeep, radar, and the revolutionary flying bomb. You will also read how the battles of El Alamein, Kursk, Ardennes, Iwo Jima, and Okinawa unfolded and how and why the United States entered the war after the Pearl Harbor attack, thereby expanding the war to a global level.

In A Brief History of World War II, Jesus Hernandez focuses on the events and the places where they took place. To help enhance the learning experience for the reader, this book comes with a travel guide showing where you can see the key places involved in the war.

## Biography

Jesús Hernández (Barcelona, 1966) is a journalist with a degree in contemporary history and information science.
