

A BRIEF HISTORY OF JULIUS CAESAR

BREVE HISTORIA
www.BreveHistoria.com

Miguel Ángel Novillo López

From the Triumvirate to the Ides of March, discover the intense history of the general, politician, strategist, writer and visionary who laid the foundation for an empire and for Western culture.

Synopsis

A Brief History of Julius Caesar narrates the life and works of the greatest symbol of Roman civilization. Readers will learn about the most relevant episodes in his life and get a closer look at his political, social, economic and cultural surroundings of the time so as to understand how a young man from Subura became a brilliant leader who changed the history of Rome forever.

Miguel Ángel Novillo López borrows from a large variety of source materials to retell the story of this great political and military leader and of this period of Roman history. He lays out diverse analyses and a unique investigative approach so as to offer answers to the numerous questions that emerge throughout the book.

A Brief History of Julius Caesar represents a unique opportunity to understand how a real, multidimensional man (lover, general, politician, strategist, writer, and visionary) carved out an important place for himself in history.

Biography

Miguel Ángel Novillo López has a PhD in ancient history from the Universidad Complutense de Madrid. His research focuses on the Pompeian and Caesarian presence in the Iberian Peninsula as well as the Romanization of this territory. He conducted extensive research in Italy and has participated in archeological excavations in Spain. He is a member of the Technical Committee of the Testimonia Hispaniae Antiqua and of the Research Group on Roman Cities. From this research, he has presented publications in various conferences, books, academic journals, and popular reading magazines. Currently he collaborates with the Department of Ancient History for the Universidad Complutense de Madrid, where he organizes research projects.

Sales pitch

AUTHOR: Miguel Ángel Novillo López is an expert on Julius Caesar after having dedicated years researching the history and archeology of Rome, particularly during the late Republican period.

ILLUSTRATED CONTENT: The book uses important visual documentation to complement and support the arguments and narration laid out by the author.

EASY TO READ: While always faithful to its intellectual ambitions and analysis, the book is presented in a reader friendly style that facilitates a fast study. The timelines and glossary further help the reader understand the subject matter.
